

Dear Kid Tiger student,
Welcome to White Tiger Martial Arts Academy! We look forward to helping you achieve all your goals. Below read a bit about your training system, and belt system. If you ever have any questions do not hesitate to seek out one of your instructors for assistance.

The Kid Tiger System

The Kid Tiger System is designed to teach our 3 - 5 year olds age appropriate martial arts, while grooming them for the Tiger Warrior System. To graduate to the Tiger Warrior System the Kid Tiger must earn all the belts, or turn 6 years old...whichever comes first.

Belt System

Every one begins at white belt. There are 8 belts that must be earned before graduating to the Tiger Warrior System (or turning age 6). The Kid Tiger Red belt is the highest rank belt in the Kid Tiger System. Please use the following pages to map out your course to your Kid Tiger Red belt! At White Tiger Martial Arts we test 4 times per year for new belts. Our testing months are February, May, August and November. Use these dates to help set your short and long range goals to becoming a black belt!

White Belt

Date Started:

Kid Tiger Orange Belt
